DAY 1 | DEPARTURE USA

Depart from the US for Livingston, Zambia

DAYS 2 - 4 | ZAMBIA / VICTORIA FALLS / MOSI-OA-TUNYA NATIONAL PARK

Set forth to visit one of the seven natural wonders of the world, Victoria Falls. Join a local specialist on a guided tour of the world's largest waterfall. Admire the powerful curtain of water from various vantage points in Zimbabwe - feel the fine spray and hear the thunderous roar as water crashes over a hundred metres into a swirling mass in the gorge below.

Take an open vehicle safari in the Most-oa-Tunya National Park, a UNESCO World Heritage site that is home to a good introduction to Zambia's wildlife. There are elephant, buffalo, giraffe and zebra, as well as many of the common antelope species. Some white rhino have been re-introduced and started breeding successfully in this area. They are kept in a separate enclosure for extra protection and guided walks to see them may be available at an additional cost.

We have partnered with African Impact whom are pioneers in the volunteering and service learning in Africa.

During one of our days in Zambia, we will join up with one of their passionate teams and experience a project that is built, grown and developed hand-in-hand with local Zambian community. Our actual volunteer project will be determined closer to our arrival so that the greatest use of our time is performed on the most impactful project. Get ready as we connect cultures, mindsets and ideas. This project will be sure to leave us all awed, inspired, able to do more, discover more and to make a real impact. Get ready to create a life changing journey!

DAYS 5 - 9 | BOTSWANA / NAMIBIA / CHOBE NATIONAL PARK

Cross the Botswana border for a fascinating trip into Chobe National Park, where large herds of African elephant roam. Board your Chobe River cruise, watching herds of elephant and buffalo come to the edge of the river to drink. See the flash of a kingfisher hovering over the water to catch its next meal, then enjoy an included lunch at Chobe Safari Lodge on the banks of the mighty Chobe River.

Explore this stunning land on morning & afternoon game drives. You will have an opportunity to see giraffe, lions, antelopes, and huge herds of elephants. It is said that these are the largest elephants in the world. Botswana's first national park is perhaps best known for its high concentration of a variety of African animals in a concentrated area. During our stay in Botswana, you will be able to enjoy a sunset cruise on the Chobe River, a very relaxing way to spend the late afternoon as an abundance of animals are all around.

Your journey will also allow you to engage in a visit across the border to Namibia for a village walk. Learn about local life and cultural as we spend a time strolling through a village that is control by a local Chief. Have time to purchase local hand made products during this visit.
