### DAY 4 | SOUTHAMPTON (OCTOBER 15)

Today we will head to the historic city of Southampton to board the Queen Anne ship bound for Norway.

### DAY 5-6 | AT SEA

Sailing through Norway's glass-like waters on route to Alesund, you'll be struck by a sweeping peninsula of Art Nouveau architecture, stretching to lush greenery, where mountain peaks reach skyward, reflected in the converging fjords.

### DAY 7 | ALESUND, NORWAY (OCTOBER 18)

Arriving in Alesund, you could be forgiven for thinking you'd stepped off your ship into the pages of a fairy-tale. A myriad of towering spires and decorative turrets, it's easy to see why this vibrant fishing port is regarded as one of the prettiest cities in Norway.

### DAY 8 | AT SEA

Whilst sailing to Tromso, you'll encounter Mother Nature at her most spectacular. Surrounded by unspoiled wilderness, glass-like fjords, and towering snow-capped mountains, every vista here offers something else to savour.

### DAY 9-10 | TROMSO, NORWAY (OCTOBER 20-21)

The sky above Tromso can be a truly breathtaking spectacle when the dramatic northern lights dance across the sky during dark winter nights. In summer, the midnight sun never sets on this bustling city, famous for its vibrant nightlife. The crisp, clear days give way to long, bright nights, filled with hiking, fishing, or simply a warming cup of tea as you watch the locals go about their day.

### DAY 11-12 | NARVIK, NORWAY (OCTOBER 22-23)

Rugged mountains meet rippling blue fjords on a cruise to Narvik, Norway. A favourite destination for keen skiers, the snowy peaks here glide gently downward towards stretches of white sandy beaches that surround the port itself. Lying 137 miles inside the Arctic Circle, Narvik may be one of the world's most northerly towns, but the North Atlantic currents and the mountains that shelter the town make it surprisingly mild. A serene and welcoming region, Narvik is a magical gateway to rich culture, exquisite food, wildlife, and a dramatic Norwegian landscape.

### DAY 12 | AT SEA

### DAY 13 | STAVANGER, NORWAY (OCTOBER 25)

Norway's Stavanger is not only blessed with compelling history, but also a natural beauty. From the ancient port, the city radiates across a network of islands which are connected by graceful bridges.

### DAY 14 | AT SEA

### DAY 15 | RETURN TO THE USA (OCTOBER 27)

Disembark from the Queen Anne in Southampton. Proceed to London for your onward journey to the USA.
